Note: The data contained in this report has been reported to FederalReporting.gov, and represents the most current information. This report summarizes project activity for the 3rd quarter of 2012.

ARRA financial data is calculated on a cumulative basis, while ARRA job figures are calculated on a quarterly basis. Note: Dividing Recovery Act money expended by the number of jobs created or retained does not provide an accurate cost-per-job-figure.

The Office of Management and Budget (OMB) revised the ARRA job calculation formula after the 3rd Quarter 2009 reporting period. As a result, job figures are not reported cumulatively.
